*Shots for Tots working to further educate and update parents and providers to achieve the highest level of immunizations for Louisiana's most valuable assets, its children.*

*Can We Talk...*

Yes, we can!

*Why immunizations are important?*

You'll hear discussions about the latest on immunization recommendations, new vaccines, proper storage and handling procedures, and communication tips and methods in helping persuade parents on the benefits of immunizations. In addition to these topics, you will also have the chance to meet various exhibitors and manufacturer representatives and to meet members of the state immunization office and ask them any questions you might have.

Don't wait and register early to take advantage of the early registration discount!

The conference agenda will be posted to the Shots for Tots website as it becomes available.

*How do you get a parent to vaccinate their child!*

*What should I tell a parent who wants to delay a shot?*
